

## Del Pacifico Vacation Planner

Welcome to beautiful Costa Rica!

We've created some sample vacation plans based on what our guests have most enjoyed. Choose all of the activities, or just the ones you find most appealing.

We can arrange all the details in advance, or the Del Pacifico staff can assist you when you arrive.

From the moment your flight lands in Costa Rica, our concierge service takes care of everything: local transportation, activities, restaurant reservations, and whatever else you might need.

And remember, all Del Pacifico rentals come with full maid service so you can really relax. As Del Pacifico vacation team head Leslie Hoblitzell often says, "Si tengo que cocinar y limpiar no son vacaciones." (If I'm cooking and cleaning, it's not a vacation.)

If you're looking for an exotic weekend getaway or a full week in paradise, these sample itineraries are guaranteed to help you get the most out of your visit:
